

Planning and Advanced Reservation of Capacity (PARCA)

NOTICE: OPENING OF A PARCA EXIT WINDOW (updated)

23rd January, 2020

Dear Industry Colleague,

In accordance with the Uniform Network Code, Section B, National Grid hereby publishes this notice to all interested industry parties.

On 21st January, we published a notice to inform of the opening of a PARCA Exit Window on **Wednesday 22nd January, 2020**. This notice has been issued today to include further information as to the location of the PARCA Application.

The application received to-date is as follows;

Application 1

- The geographical area of the project is North East Yorkshire and Lincolnshire (Region 3 as defined in Gas Ten Year Statement¹). This region is South of Bishop Auckland, north of Peterborough and Wisbech and east of Nether Kellet, and comprises NTS/DN exit zones NE1, 2, EM1, 2.
- The quantity of the NTS exit capacity applied for is up to 3,716,149 kWh/d.
- The indicative capacity reservation date is 21st May, 2020.
- The indicative capacity registration date is 1st April 2026.

The PARCA Exit Window will be opened for a maximum of 40 consecutive business days from 22nd January, 2020, closing on 18th March, 2020. If no further PARCA Applications are received within 20 consecutive business days, the window will be closed on 19th February, 2020.

You can download our PARCA customer guide which can be found via this link.
