Dear Colleague,

RE: GAS DEMAND SIDE RESPONSE (DSR) TENDER BULLETIN:

ALIGNMENT OF THE IGT UNC WITH UNC DEMAND SIDE RESPONSE ARRANGEMENTS

**THIS IS A MESSAGE FOR LARGE GAS CONSUMERS AND THEIR SHIPPERS CONNECTED TO
INDEPENDENT GAS TRANSPORTERS' NETWORKS**

Please find in the link below the decision letter from OFGEM on Alignment of the IGT UNC with UNC NGT Demand Side Response Arrangements.

[IGT167: Alignment of the IGT UNC with UNC NGT Demand Side Response Arrangements - Decision | Ofgem](#)

As this Modification to the IGT UNC is for immediate implementation, large gas consumers (and their shippers) that are connected to Independent Gas Transporter Networks are now permitted to join this year's DSR Invitation to Offer event that was published by National Gas Transmission on its [DSR webpage](#) on the 24th August 2023.

IGT Shippers and/or Consumers that wish to participate in this invitation to offer event must submit their DSR Offer pack(s) via email to Brendan.Mullan@nationalgas.com and cc Andrea.Godden@nationalgas.com no later than **17:00 BST on Friday 15th September 2023**.

If any party would like to discuss the Invitation to Offer event further or have any questions, please contact Brendan.Mullan@nationalgas.com, Andrea.Godden@nationalgas.com or Philip.hobbins@nationalgrid.com

Yours Sincerely,

Brendan Mullan

**Senior Contracts Officer
Commercial Operations, National Gas Transmission**
