Planning and Advanced Reservation of Capacity (PARCA)

NOTICE: OPENING OF A PARCA EXIT WINDOW

Dear Industry Colleague,

In accordance with the Uniform Network Code, Section B, National Grid hereby publishes this notice to all interested industry parties that a PARCA Exit Window will be opened on Monday, 02 October 2023. The PARCA Exit Window provides an opportunity for those parties who are interested in applying for a PARCA to submit their applications during this time so that we can consider all submitted applications collectively.

The application received to-date is as follows:

Initial Requirement

- The geographical area of the project is London, Suffolk and the South-East (Region 9 as defined in Gas Ten Year Statement).
- The NTS location is South Diss, Cambridge and east of Whitwell (Feeder 18), comprising of NTS/DN Exit Zones EA4 & 5, NT1, 2 & 3, & SE1 & 2.
- The quantity of the NTS exit capacity applied for 62,880,000 kWh/d.
- The indicative capacity Reservation date is 02 April 2024.
- The indicative capacity Registration Date is 01 October 2023 (requested).

The PARCA Exit Window will be opened for a maximum of 40 consecutive business days from Monday, 02 October 2023, closing on 24 November 2023. If no further PARCA Applications are received within the first 20 consecutive business days, the window will be closed on 27 October 2023.

You can download our PARCA customer guide which can be found via this link.
