

Planning and Advanced Reservation of Capacity (PARCA)**NOTICE: OPENING OF A PARCA EXIT WINDOW****9th February 2026**

Dear Industry Colleague,

In accordance with the Uniform Network Code, Section B, National Gas Transmission hereby publishes this notice to all interested industry parties that a PARCA Exit Window will be opened on **10th of February 2026**. The PARCA Exit Window provides an opportunity for those parties who are interested in applying for a PARCA to submit their applications during this time so that we can consider all submitted applications collectively.

The application received to-date is as follows:

Application 1

- The geographical area of the project is **North East Yorkshire and Lincolnshire** (Zone 3 as defined in Gas Ten Year Statement¹). This region is **south of Bishop Auckland, north of Peterborough and Wisbech, and east of Nether Kellet**.
- The quantity of the NTS exit capacity applied for is **42,240,000 kwh/d**.
- The indicative capacity reservation date is **31st August 2026**.
- The indicative capacity registration Date is **1st April 2032**.

The PARCA Exit Window will be opened for a maximum of 40 consecutive business days from **10th February 2026**, closing on **9th April 2026**. If no further PARCA Applications are received within 20 consecutive business days, the window will be closed on **10th March 2026**.

You can download our PARCA customer guide which can be found via this link.
